

PhoeniciaHotelArtPhoto®
Exhibition 2016/17
9th March 2017

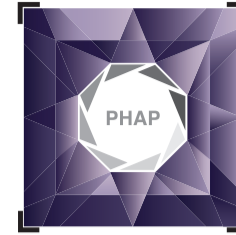

The Phoenicia Hotel launched the PhoeniciaHotelArtPhoto (PHAP) in 2016. This initiative invites one artist per month to enjoy complimentary room and board for a night at the Phoenicia Hotel and to create a work of art using the medium of photography during the experience. Participating artists compete for a grand prize of USD 5,000, which comes with a quirky twist: the prize money will be increased by the same amount in dollars as the room number allocated to the winning artist during their stay.

Each of the 12 works will be made available for sale as a limited edition of 5 during the exhibition, with part of the proceeds going to the photographers and part to charities.

The PhoeniciaHotelArtPhoto competition is open to professional photographers and artists as well as to amateurs with a strong background in photography, and has already received strong interest from applicants since launching.

The 2016/17 jury includes the globally exhibited photographer Roger Moukarzel; art collector Tarek Nahas; Rebecca Russo the President of the Videinsight® Foundation; Georg Weinlaender Phoenicia Hotel Area General Manager 2009-15; SGHL Chairman Mazen Salha; and the PHAP founding judge Najib Salha.
