# Nathalie Zeidan Chebaklo

"A wedding dress... A story"

September 2017 - Room 2022

Edition of 5

---

Nathalie has been passionate about photography for as long as she can remember. She always enjoyed looking back at the memories of her life through the snapshots she took, never dreaming her hobby would one day become her career. Her passion escalated when her first son Fouad was born, therefore she studied photography and worked for 10 years as a family and portrait photographer until she decided recently to shift into product and fashion photography.

# Charbel Saade

## "Camera Obscura Self Portrait"

October 2017 - Room 722  
Edition of 5

---

Born and raised in Beirut, Charbel Saade studied cinema at the Lebanese University, Beirut. Fascinated by photography ever since he was a child, he pursued a career at the age of 18 as a backstage photographer. Charbel was the first photographer to be selected as part of the Starch Foundation in 2015/2016. Mixing between commercial photography and visual arts, he continues to work in fashion, advertising, portraiture, and still life.

# Zeina Hawa

"A staircase with stories"

December 2017 - Room 1918

Edition of 5

---

Though an environmental engineer by training, Zeina developed an interest in photography from a young age. Equipped with her bicycle, she uses her spare time to travel, exploring and documenting stories, people and the display of life in various parts of the world. Her Bikers of Beirut series explores and celebrates the diversity of people who regularly cycle in Beirut, sharing their stories and perceptions.
